

## Fall Festival Patient Appreciation Event

We have set aside a day to acknowledge our patients in a special way. As a way of thanking you for your support and commitment to oral health for the past 37 years, we are inviting you to come to our office for an afternoon of food and fun.

We also would like for you to bring a friend or family member, who you know will benefit from an oral checkup, to join us in the celebration and meet our friendly team.
